TO MEET YOUR NEEDS
IN A TIMELY MANNER.

A RECOGNIZED KNOW - HOW

With over 30 years of experience serving the wine industry with wine-making equipment, TDD - Grilliat Machines provides a unique know-how in France and abroad.

Located in the heart of the Champagne region, 5 minutes drive from Epernay, TDD supplies a wide range of bottling equipment (disgorging and dosing machines, corking and wiring equipment, liquor mixers...) to the whole sparkling industry (Winegrowers / Producers, Champagne houses, Cooperatives, Services Providers...)

TDD Grilliat designs, manufactures, installs and commissions a whole range of fixed and mobile disgorging lines (manual, semi-automatic, fully automatic) for operations of all sizes, in France and abroad.

HIGH QUALITY SERVICES

TDD is a team of specially trained technicians, present in our workshops and on the ground to provide prompt and efficient after sales service.

Quick response time everywhere in France and abroad, in order to meet our clients' needs to the best of our ability.

TDD also proposes a performing Research, Design and Development department to provide you with a customised solution for all your projects.
